

World Food Day-22
Leave NO ONE behind

Dear parents

Warm greetings from SPS!

India is one of the world's fastest-growing economies with about 7% overall economic growth over the past decade, yet 40% of Indian children remain chronically malnourished, Juvenile diabetes, malnourishment, deficiency diseases, anemia, and obesity among children are the result of ignoring the importance of nutrition

Millions of people around the world cannot afford a healthy diet. In India, the food problem does not mean the unavailability of food but a deficit of proper nutritious food. This is putting them at a high risk of food insecurity and malnutrition. In this context, the school has decided to conduct **'Food Donation Challenge'** to make our students do their part for underprivileged children **on the occasion of World Food Day.**

690 million people around the world will go to bed on an empty stomach. But your donation means that one less child will be at risk of starvation by your gift.

One meal at the right time can be enough to make a difference between life and death.

As the statement says **"Our actions are our future"**, let us encourage our children to bring the below-mentioned food items for the good cause:

Grade	Item	Quantity	Submit to the Class Teacher on
PP	Biscuits	1 Pack	13-10-2022
I-IV	Toor Dal	50g	14-10-2022
V	Sugar	250g	13-10-2022
VI-VII	Wheat Atta	250g	13-10-2022
VIII-X	Rice	500g	14-10-2022

We all need to be part of the change.

We need to build a sustainable world where everyone, everywhere has regular access to enough nutritious food.

No one should be left behind.

We must ALL be the change.

Regards

Principal

Mrs. Anuradha Murthy
